a. Set forth a clear and concise statement of the facts constituting the alleged unfair labor practice, including date and location of the particular acts.  
On or around April 9, 2019, the Union submitted an information request pursuant to 5 U.S.C. 7114(b)(4), requesting a variety of documents concerning whether, and to what effect, members of the bargaining unit were considered inferior officers. The information request was submitted in the course of collective bargaining, and for the purpose of continuing negotiations. Although unknown at the time, the information is directly relevant to a claim made in the Agency's subsequent petition to decertify the union. The Agency has failed to respond to the request and refused to furnish the information, an unfair labor practice under 5 U.S.C. 7116(a)(1)(5) and (8).
